INSTRUCTIONS FOR RECIPIENTS OF FORM 1099

1099-DIV: Dividends and Distributions

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

Box 1a. Shows total ordinary dividends that are taxable. Include this amount on the "Ordinary dividends" line of Form 1040 or 1040-SR. Also report it on Schedule B (Form 1040), if required.

Box 1b. Shows the portion of the amount in box 1a that may be eligible for reduced capital gains rates. See the Instructions for Form 1040 for how to determine this amount and where to report.

The amount shown may be dividends a corporation paid directly to you as a participant (or beneficiary of a participant) in an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040 or 1040-SR but treat it as a plan distribution, not as investment income, for any other purpose.

Box 2a. Shows total capital gain distributions from a regulated investment company (RIC) or real estate investment trust (REIT). See How To Report in the Instructions for Schedule D (Form 1040). But, if no amount is shown in boxes 2b, 2c, 2d, and 2f and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on your Form 1040 or 1040-SR rather than Schedule D. See the Instructions for Form 1040.

Box 2b. Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. See the Unrecaptured Section 1250 Gain Worksheet in the Instructions for Schedule D (Form 1040).

Box 2c. Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to an exclusion. See the Schedule D (Form 1040) instructions.

Box 2d. Shows the portion of the amount in box 2a that is 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the 28% Rate Gain Worksheet in the Instructions for Schedule D (Form 1040).

Box 2e. Shows the portion of the amount in box 1a that is section 897 gain attributable to disposition of U.S. real property interests (USRPI).

Box 2f. Shows the portion of the amount in box 2a that is section 897 gain attributable to disposition of USRPI.

Note: Boxes 2e and 2f apply only to foreign persons and entities whose income maintains its character when passed through or distributed to its direct or indirect foreign owners or beneficiaries. It is generally treated as effectively connected to a trade or business within the United States. See the instructions for your tax return.

Box 3. Shows a return of capital. To the extent of your cost (or other basis) in the stock, the distribution reduces your basis and is not taxable. Any amount received in excess of your basis is taxable to you as capital gain. See Pub. 550.

Box 4. Shows backup withholding. A payer must backup withhold on certain payments if you did not give your TIN to the payer. See Form W-9 for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. Shows the portion of the amount in box 1a that may be eligible for the 20% qualified business income deduction under section 199A. See the instructions for Form 8995 and Form 8995-A.

Box 6. Shows your share of expenses of a nonpublicly offered RIC, generally a nonpublicly offered mutual fund. This amount is included in box 1a.

Box 7. Shows the foreign tax that you may be able to claim as a deduction or a credit on Form 1040 or 1040-SR. See the Instructions for Form 1040.

Box 8. This box should be left blank if a RIC reported the foreign tax shown in box 7.

Boxes 9 and 10. Show cash and noncash liquidation distributions.

Box 11. If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its account reporting requirement under chapter 4 of the Internal Revenue Code. You may also have a filing requirement. See the Instructions for Form 8938.

Box 12. Shows exempt-interest dividends from a mutual fund or other RIC paid to you during the calendar year. See the Instructions for Form 1040 for where to report. This amount may be subject to backup withholding. See Box 4 above.

Box 13. Shows exempt-interest dividends subject to the alternative minimum tax. This amount is included in box 12. See the Instructions for Form 6251

Boxes 14-16. State income tax withheld reporting boxes.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV (with a Form 1096) with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. INSTRUCTIONS FOR RECIPIENTS OF FORM 1099

1099-INT: Interest Income

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the Instructions for Form 8949. For a taxable covered security acquired at a premium, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize the premium under section 171, or for a tax-exempt covered security acquired at a premium, your payer generally must report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization allocable to the payment(s), or (2) a gross amount for both the interest paid to you and the premium amortization allocable to the payment(s). If you did notify your payer that you did not want to amortize the premium on a taxable covered security, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you.

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

FATCA filing requirement. If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its chapter 4 account reporting requirement. You also may have a filing requirement. See the Instructions for Form 8938.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

Box 1. Shows taxable interest paid to you during the calendar year by the payer. This does not include interest shown in box 3. May also show the total amount of the credits from clean renewable energy bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, qualified school construction bonds, and build America bonds that must be included in your interest income. These amounts were treated as paid to you during the calendar year on the credit allowance dates (March 15, June 15, September 15, and December 15). For more information, see Form 8912. See the instructions above for a taxable covered security acquired at a premium.

Box 3. Shows interest on U.S. Savings Bonds, Treasury bills, Treasury bonds, and Treasury notes. This may or may not all be taxable. See Pub. 550. This interest is exempt from state and local income taxes. This interest is not included in box 1. See the instructions above for a taxable covered security acquired at a premium.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN or you did not furnish the correct TIN to the payer. See Form W-9. Include this amount on your income tax return as tax withheld.

Box 5. Any amount shown is your share of investment expenses of a single-class REMIC. This amount is included in box 1. Note: This amount is not deductible.

Box 6. Shows foreign tax paid. You may be able to claim this tax as a deduction or a credit on your Form 1040 or 1040-SR. See your tax return instructions.

Box 7. Shows the country or U.S. territory to which the foreign tax was paid.

Box 8. Shows tax-exempt interest paid to you during the calendar year by the payer. See how to report this amount in the Instructions for Form 1040. This amount may be subject to backup withholding. See Box 4 above. See the instructions above for a tax-exempt covered security acquired at a premium.

Box 9. Shows tax-exempt interest subject to the alternative minimum tax. This amount is included in box 8. See the Instructions for Form 6251. See the instructions above for a tax-exempt covered security acquired at a premium.

© 2025 Charles Schwab & Co., Inc. All rights reserved. Member SIPC (0125-9S8N)

Box 10. For a taxable or tax-exempt covered security, if you made an election under section 1278(b) to include market discount in income as it accrues and you notified your payer of the election in writing in accordance with Regulations section 1.6045-1(n)(5), shows the market discount that accrued on the debt instrument during the year while held by you, unless it was reported on Form 1099-OID. For a taxable or tax-exempt covered security acquired on or after January 1, 2015, accrued market discount will be calculated on a constant yield basis unless you notified your payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to make a constant yield election for market discount under section 1276(b). Report the accrued market discount on your income tax return as directed in the Instructions for Form 1040. Market discount on a tax-exempt security is includible in taxable income as interest income.

Box 11. For a taxable covered security (other than a U.S. Treasury obligation), shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040) to determine the net amount of interest includible in income on Form 1040 or 1040-SR with respect to the security. If an amount is not reported in this box for a taxable covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 1. If the amount in box 11 is greater than the amount of interest paid on the covered security, see Regulations section 1.171-2(a)(4).

Box 12. For a U.S. Treasury obligation that is a covered security, shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040) to determine the net amount of interest includible in income on Form 1040 or 1040-SR with respect to the U.S. Treasury obligation. If an amount is not reported in this box for a U.S. Treasury obligation that is a covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 3. If the amount in box 12 is greater than the amount of interest paid on the U.S. Treasury obligation, see Regulations section 1.171-2(a)(4).

Box 13. For a tax-exempt covered security, shows the amount of premium amortization allocable to the interest payment(s). If an amount is reported in this box, see Pub. 550 to determine the net amount of tax-exempt interest reportable on Form 1040 or 1040-SR. If an amount is not reported in this box for a tax-exempt covered security acquired at a premium, the payer has reported a net amount of interest in box 8 or 9, whichever is applicable. If the amount in box 13 is greater than the amount of interest paid on the tax-exempt covered security, the excess is a nondeductible loss. See Regulations section 1.171-2(a)(4)(ii).

Box 14. Shows CUSIP number(s) for tax-exempt bond(s) on which tax-exempt interest was paid, or tax credit bond(s) on which taxable interest was paid or tax credit was allowed, to you during the calendar year. If blank, no CUSIP number was issued for the bond(s).

Boxes 15-17. State tax withheld reporting boxes.

Nominees. If this form includes amounts belonging to another person(s), you are considered a nominee recipient. Complete a Form 1099-INT for each of the other owners showing the income allocable to each. File Copy A of the form with the IRS. Furnish Copy B to each owner. List yourself as the "payer" and the other owner(s) as the "recipient." File Form(s) 1099-INT with Form 1096 with the Internal Revenue Service Center for your area. On Form 1096, list yourself as the "filer." A spouse is not required to file a nominee return to show amounts owned by the other spouse.

FORM 1099 COMPOSITE

INSTRUCTIONS FOR RECIPIENTS OF FORM 1099
1099-B: Proceeds from Broker Transactions

Brokers and barter exchanges must report proceeds from (and in some cases, basis for) transactions to you and the IRS on Form 1099-B. Reporting is also required when your broker knows or has reason to know that a corporation in which you own stock has had a reportable change in control or capital structure. You may be required to recognize gain from the receipt of cash, stock, or other property that was exchanged for the corporation's stock. If your broker reported this type of transaction to you, the corporation is identified in box 1a.

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

CUSIP number. Shows the CUSIP (Committee on Uniform Security Identification Procedures) number or other applicable identifying number.

FATCA filing requirement. If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its account reporting requirement under chapter 4 of the Internal Revenue code. You may also have a filing requirement. See the Instructions for Form 8938.

Applicable checkbox on Form 8949. Indicates where to report this transaction on Form 8949 and Schedule D (Form 1040), and which checkbox is applicable. See the instructions for your Schedule D (Form 1040) and/or Form 8949.

Box 1a. Shows a brief description of the item or service for which amounts are being reported. For a corporation that had a reportable change in control or capital structure, this box may show the class of stock as C (common), P (preferred), or O (other).

Box 1b. This box may be blank if box 5 is checked or if the securities sold were acquired on a variety of dates. For short sales, the date shown is the date you acquired the security delivered to close the short sale.

Box 1c. Shows the trade date of the sale or exchange. For short sales, the date shown is the date the security was delivered to close the short sale. For aggregate reporting in boxes 8 through 11, no entry will be present.

Box 1d. Shows the cash proceeds, reduced by any commissions or transfer taxes related to the sale, for transactions involving stocks, debt, commodities, forward contracts, non-Section 1256 option contracts, or securities futures contracts. May show the proceeds from the disposition of your interest(s) in a widely held fixed investment trust. May also show the aggregate amount of cash and the fair market value of any stock or other property received in a reportable change in control or capital structure arising from the corporate transfer of property to a foreign corporation. Losses on forward contracts or non-Section 1256 option contracts are shown in parentheses. This box does not include proceeds from regulated futures contracts or Section 1256 option contracts. Report this amount on Form 8949 or on Schedule D (Form 1040) (whichever is applicable) as explained in the Instructions for Schedule D (Form 1040).

Box 1e. Shows the cost or other basis of securities sold. If the securities were acquired through the exercise of a noncompensatory option granted or acquired on or after January 1, 2014, the basis has been adjusted to reflect your option premium. If the securities were acquired through the exercise of a noncompensatory option granted or acquired before January 1, 2014, your broker is permitted, but not required, to adjust the basis to reflect your option premium. If the securities were acquired through the exercise of a compensatory option, the basis has not been adjusted to include any amount related to the option that was reported to you on a Form W-2. If box 5 is checked, box 1e may be blank. See the Instructions for Form 8949, Instructions for Schedule D (Form 1040), or Pub. 550 for details.

Box 1f. Shows the amount of accrued market discount. For details on market discount, see the Schedule D (Form 1040) instructions, the Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1f may be blank.

Box 1g. Shows the amount of nondeductible loss in a wash sale transaction. For details on wash sales, see the Schedule D (Form 1040) instructions, the Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1g may be blank.

Box 2. The short-term and long-term boxes pertain to short-term gain or loss and long-term gain or loss. If the "Ordinary" box is checked, your security may be subject to special rules. For example, gain on a contingent payment debt instrument subject to the noncontingent bond method is generally treated as ordinary interest income rather than as capital gain. See the Instructions for Form 8949, Pub. 550, or Pub. 1212 for more details on whether there are any special rules or adjustments that might apply to your security. If box 5 is checked, box 2 may be blank.

Box 3. If checked, proceeds are from a transaction involving collectibles or from a Qualified Opportunity Fund(QOF).

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN to the payer. See Form W-9 for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. If checked, the securities sold were noncovered securities and boxes 1b, 1e, 1f, 1g, and 2 may be blank. Generally, a noncovered security means (a) stock purchased before 2011, (b) stock in most mutual funds purchased before 2012, (c) stock purchased in or transferred to a dividend reinvestment plan before 2012, (d) debt acquired before 2014, (e) options granted or acquired before 2014, and (f)securities futures contracts executed before 2014.

Box 6. If the exercise of a noncompensatory option resulted in a sale of a security, a checked "net proceeds" box indicates whether the amount in box 1d was adjusted for option premium.

Box 7. If checked, you cannot take a loss on your tax return based on gross proceeds from a reportable change in control or capital structure reported in box 1d. See the Form 8949 and Schedule D (Form 1040) instructions. The broker should advise you of any losses on a separate statement.

Box 12. If checked, the basis in box 1e has been reported to the IRS and either the short-term or the long-term gain or loss box in box 2 will be checked. If box 12 is checked on Form(s) 1099-B and NO adjustment is required, see the instructions for your Schedule D (Form 1040) as you may be able to report your transaction directly on Schedule D (Form 1040). If the "Ordinary" box in box 2 is checked, an adjustment may be required.

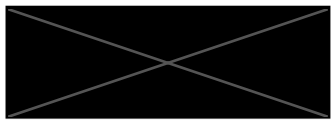

Boxes 14-16. Show state(s)/local income tax information.

Notes for Your Form 1099-B

Box 1b-Date acquired: If there is more than one lot in a sell transaction, the acquisition date for the individual lot in the transaction can be found in the Realized Gain or (Loss) section of the Year-End Summary.

(1) If **Box 1b-Date acquired** displays as VARIOUS, your sell transaction included multiple tax lots purchased on different acquisition dates within the same holding period and covered/non-covered status. The lots in the transaction are rolled up into a single sell transaction.

(2) If the cost basis is missing or not provided, a short-term holding period may have been applied for a position that may have been held long term.

Box 1d-Proceeds/Box 6-Reported to IRS: Gross proceeds (except where indicated):

(1) Gross proceeds from each of your security transactions are reported individually to the IRS.

(2) Gross proceeds in aggregate are not reported to the IRS and should not be reported on your tax return.

(3) Net proceeds will only be displayed if the proceeds on a trade have been adjusted for an option premium.

Box 1e-Cost or other basis: Schwab has provided cost basis information whenever possible for most investments. Cost basis data may be incomplete or unavailable for some of your holdings. When value for the report is unavailable, it is noted as follows:

Not Provided	Schwab is not providing Cost Basis on this security type.
Missing	(1) Cost Basis data may not be available for a number of reasons (for example, the security was purchased outside of Schwab and we did not receive cost basis from the transferring firm). (2) The security was purchased more than 10 years ago.

Realized Gain or (Loss): Realized Gain or (Loss) is not reported to the IRS.

Box 2-Short-term gain or loss, Long-term gain or loss, or Ordinary: Only if you have both long-term and short-term transactions will you receive both long-term and short-term sections of the 1099-B:

Long-term gain or loss has a holding period greater than one year.

Short-term gain or loss has a holding period of one year or less.

Other Cost Basis Notes:

(1) The cost basis and basis adjustments for covered securities are reported to the IRS.

(2) If "BASIS IS REPORTED TO THE IRS" appears in the section heading, this indicates **Box 12-If checked, basis reported to IRS** is checked. If "BASIS IS AVAILABLE BUT NOT REPORTED" or "BASIS IS MISSING AND NOT REPORTED" appears, this indicates **Box 5-If checked, noncovered security** is checked. These boxes are not displayed on the 1099-B but the boxes are reported to the IRS and included in the download for TurboTax and H&R Block.

(3) For non-covered securities appearing in sections of the 1099-B which include the headings "BASIS IS AVAILABLE BUT NOT REPORTED TO THE IRS" or "BASIS IS MISSING AND NOT REPORTED TO THE IRS", **Box 1b-Date acquired, 1e-Cost or other basis, 1f-Accrued Market Discount** and **1g-Wash Sale Loss Disallowed** are not reported to the IRS.

Date Prepared: February 7, 2025

The information in this and all subsequent sections is not provided to the IRS by Charles Schwab. It is provided to you as additional tax reporting information you may need to complete your tax return.

Notes for Your Realized Gain or (Loss)

Schwab has provided realized gain and loss information whenever possible for most investments. Cost basis data may be incomplete or unavailable for some of your holdings. See Terms and Conditions.

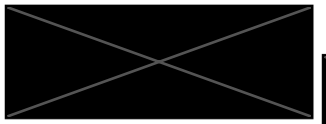

When value for the report is unavailable, it is noted as follows: "Missing" or "Not Provided"

Not Provided	Schwab is not providing Cost Basis on this security type.
Missing	Cost Basis may be missing due to one of the following reasons: • Cost basis data may not be available for a number of reasons (for example, the security was purchased outside of Schwab and we did not receive cost basis from the transferring firm). • The security was purchased more than 10 years ago.
Date Acquired	If the cost basis is missing or not provided, a short-term holding period may have been applied for a position that may have been held long term.
Total Proceeds	The amount displayed in this column has been adjusted for option premiums, if applicable.
Cost Basis	The amount displayed in this column may differ from your original cost basis as adjustments may have been made to reflect applicable option premiums, corporate actions and/or wash sales.
Wash Sale Loss Disallowed	The disallowed amount displayed in this column has been added to the cost basis of other share lots with the same CUSIP owned in the same account at the time the loss was disallowed.
Realized Gain or (Loss)	The calculation for gain or (loss) displayed in this column is Total Proceeds - Cost Basis + Wash Sale Loss Disallowed - Market Discount =Realized Gain or (Loss)

For sales of short-term debt issued after January 1, 2014, talk to your tax advisor as to how to report the income.

TAX YEAR 2024
FORM 1099 COMPOSITE & YEAR-END SUMMARY

Date Prepared: February 7, 2025

TERMS AND CONDITIONS

GENERAL INFORMATION

Form 1099-Composite

For U.S. taxpayers, the information reported to you on Form 1099 is given to the Internal Revenue Service (IRS). Form 1099-Composite is comprised of the following substitute forms: 1099-DIV, 1099-INT, 1099-MISC, 1099-OID, and 1099-B. The form(s) you receive in Form 1099 Composite depends on the income reportable to the IRS.

Year-End Summary

The information in the Year-End Summary is provided to you as a courtesy, should you need additional information when completing your tax return. When relevant, IRS box numbers are referenced to indicate individual items that make up the totals appearing on your Form(s) 1099. With the exception of the totals reported in the IRS box numbers referenced, Charles Schwab does not provide the details of the Year-End Summary to the IRS.

We recommend that all customers consult their investment and tax advisors prior to using this information.

Corrected Form 1099 and Year-End Summary

We are required to send you a corrected form with the revisions clearly marked when we receive updates or revisions to information contained in the form. This generally occurs if one or more of the issuers of the securities in your account reallocated certain income distribution (e.g., dividends or capital gains) after we mailed your original Form 1099. As a result, the supplemental information in Year-End Summary may be updated.

Upon receiving a corrected form, you may want to consider filing an amended return based on the changes in your taxable income as reported on your corrected Form 1099. We suggest that you consult with a qualified tax advisor, CPA, financial planner, or investment manager before you proceed.

Duplicate Form 1099 and Year-End Summary

If you request a duplicate Form 1099, please be aware that Schwab uses the most up-to-date information available at the time of the production. Thus, your duplicate Form 1099 and Year-End Summary may have more up-to-date information than the original Form 1099.

Realized Gain or (Loss) in Year-End Summary

The Realized Gain or (Loss) section provides information for all your realized gain or (loss) transactions during the tax year. It contains all transactions included in the Form 1099-B as well as transactions that are not reported on Form 1099-B (for example; sales and expirations of noncovered option activities, cash in lieu under $20, bankruptcy, and worthless securities). This supplemental information is believed to be accurate as of the date the data was compiled but they may not be updated for any corrections after the data was initially compiled.

IN CASE OF QUESTIONS: If you have questions about this report or about specific Schwab accounts or Schwab One transactions (other than wire transfers or check transactions), contact Schwab at 1-800-435-4000. If you have a complaint regarding your Schwab statement or our products and services, please write to the Client Advocacy Team at Charles Schwab & Co., Inc., Attention: Client Advocacy Team, 211 Main St., San Francisco, CA 94105. The information in boxes 1 through 9 and 11 is important tax information and is being furnished to the IRS. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if the IRS determines that an underpayment of tax results because you overstated a deduction for this mortgage interest or for these points, reported in boxes 1 and 6; or because you didn't report the refund of interest (box 4); or because you claimed a nondeductible item.

11 Mortgage acquisition date

Form **1098** (Rev. 1-2022) (Keep for your records) www.irs.gov/Form1098 Department of the Treasury - Internal Revenue Service

Instructions for Payer/Borrower

A person (including a financial institution, a governmental unit, and a cooperative housing corporation) who is engaged in a trade or business and, in the course of such trade or business, received from you at least $600 of mortgage interest (including certain points) on any one mortgage in the calendar year must furnish this statement to you.

If you received this statement as the payer of record on a mortgage on which there are other borrowers, furnish each of the other borrowers with information about the proper distribution of amounts reported on this form. Each borrower is entitled to deduct only the amount each borrower paid and points paid by the seller that represent each borrower's share of the amount allowable as a deduction. Each borrower may have to include in income a share of any amount reported in box 4.

If your mortgage payments were subsidized by a government agency, you may not be able to deduct the amount of the subsidy. See the instructions for Schedule A, C, or E (Form 1040) for how to report the mortgage interest. Also, for more information, see Pub. 936 and Pub. 535.

Payer's/Borrower's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the lender has assigned to distinguish your account.

Box 1. Shows the mortgage interest received by the recipient/lender during the year. This amount includes interest on any obligation secured by real property, including a mortgage, home equity loan, or line of credit. This amount does not include points, government subsidy payments, or seller payments on a "buydown" mortgage. Such amounts are deductible by you only in certain circumstances.

If you prepaid interest in the calendar year that accrued in full by January 15, of the subsequent year, this prepaid interest may be included in box 1. However, you cannot deduct the prepaid amount in the calendar year paid even though it may be included in box 1.

If you hold a mortgage credit certificate and can claim the mortgage interest credit, see Form 8396. If the interest was paid on a mortgage, home equity loan, or line of credit secured by a qualified residence, you can only deduct the interest paid on acquisition indebtedness, and you may be subject to a deduction limitation.

Box 2. Shows the outstanding principal on the mortgage as of January 1 of the calendar year. If the mortgage originated in the calendar year, shows the mortgage principal as of the date of origination. If the recipient/lender acquired the loan in the calendar year, shows the mortgage principal as of the date of acquisition.

Box 3. Shows the date of the mortgage origination.

Box 4. Do not deduct this amount. It is a refund (or credit) for overpayment(s) of interest you made in a prior year or years. If you itemized deductions in the year(s) you paid the interest, you may have to include part or all of the box 4 amount on the "Other income" line of your calendar year Schedule 1 (Form 1040). No adjustment to your prior year(s) tax return(s) is necessary. For more information, see Pub. 936 and *Itemized Deduction Recoveries* in Pub. 525.

Box 5. If an amount is reported in this box, it may qualify to be treated as deductible mortgage interest. See the calendar year Schedule A (Form 1040) instructions and Pub. 936.

Box 6. Not all points are reportable to you. Box 6 shows points you or the seller paid this year for the purchase of your principal residence that are required to be reported to you. Generally, these points are fully deductible in the year paid, but you must subtract seller-paid points from the basis of your residence. Other points not reported in box 6 may also be deductible. See Pub. 936 to figure the amount you can deduct.

Box 7. If the address of the property securing the mortgage is the same as the payer's/borrower's, either the box has been checked, or box 8 has been completed.

Box 8. Shows the address or description of the property securing the mortgage.

Box 9. If more than one property secures the loan, shows the number of properties securing the mortgage. If only one property secures the loan, this box may be blank.

Box 10. The interest recipient may use this box to give you other information, such as real estate taxes or insurance paid from escrow.

Box 11. If the recipient/lender acquired the mortgage in the calendar year, shows the date of acquisition.

Instructions for Recipient

This Form 1095-B provides information about the individuals in your tax family (yourself, spouse, and dependents) who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. Minimum essential coverage includes government-sponsored programs, eligible employer-sponsored plans, individual market plans, and other coverage the Department of Health and Human Services designates as minimum essential coverage.

If individuals in your tax family are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit. For more information on the premium tax credit, see Pub. 974, Premium Tax Credit (PTC).

TIP *Providers of minimum essential coverage are required to furnish only one Form 1095-B for all individuals whose coverage is reported on that form. As the recipient of this Form 1095-B, you should provide a copy to other individuals covered under the policy if they request it for their records.*

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA) and the premium tax credit, see *www.irs.gov/ACA* or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Part I. Responsible Individual, lines 1–9. Part I reports information about you and the coverage.

Lines 2 and 3. Line 2 reports your social security number (SSN) or other taxpayer identification number (TIN), if applicable. For your protection, this form may show only the last four digits. However, the coverage provider is required to report your complete SSN or other TIN, if applicable, to the IRS. Your date of birth will be entered on line 3 only if line 2 is blank.

Line 8. This is the code for the type of coverage in which you or other covered individuals were enrolled. Only one letter will be entered on this line.

- **A.** Small Business Health Options Program (SHOP)
- **B.** Employer-sponsored coverage
- **C.** Government-sponsored program
- **D.** Individual market insurance
- **E.** Multiemployer plan
- **F.** Other designated minimum essential coverage
- **G.** Individual coverage health reimbursement arrangement (HRA)

TIP *If you or another family member received health insurance coverage through a Health Insurance Marketplace (also known as an Exchange), that coverage will generally be reported on a Form 1095-A rather than a Form 1095-B. If you or another family member received employer-sponsored coverage, that coverage may be reported on a Form 1095-C (Part III) rather than a Form 1095-B. For more information, see* www.irs.gov/Affordable-Care-Act/Questions-and-Answers-About-Health-Care-Information-Forms-for-Individuals.

Line 9. Reserved.

Part II. Information About Certain Employer-Sponsored Coverage, lines 10–15. If you had employer-sponsored health coverage, this part may provide information about the employer sponsoring the coverage. This part may show only the last four digits of the employer's EIN. This part may also be left blank, even if you had employer-sponsored health coverage. If this part is blank, you do not need to fill in the information or return it to your employer or other coverage provider.

Part III. Issuer or Other Coverage Provider, lines 16–22. This part reports information about the coverage provider (insurance company, employer providing self-insured coverage, government agency sponsoring coverage under a government program such as Medicaid or Medicare, or other coverage sponsor). **Line 18 reports a telephone number for the coverage provider that you can call if you have questions about the information reported on the form.**

Part IV. Covered Individuals, lines 23–28. This part reports the name, SSN or other TIN, and coverage information for each covered individual. A date of birth will be entered in column (c) only if the SSN or other TIN is not entered in column (b). Column (d) will be checked if the individual was covered for at least 1 day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered. If there are more than six covered individuals, see Part IV, Continuation Sheet(s), for information about the additional covered individuals.

Future developments. For the latest information about developments related to Form W-2, such as legislation enacted after it was published, go to *www.irs.gov/FormW2*.

Notice to Employee (See also *Instructions for Employee* on the back of Copy C.)

Do you have to file? Refer to the Form 1040 instructions to determine if you are required to file a tax return. Even if you don't have to file a tax return, you may be eligible for a refund if box 2 shows an amount or if you are eligible for any credit.

Earned income tax credit (EITC). You may be able to take the EITC for 2024 if your adjusted gross income (AGI) is less than a certain amount. The amount of the credit is based on income and family size. Workers without children could qualify for a smaller credit. You and any qualifying children must have valid social security numbers (SSNs). You can't take the EITC if your investment income is more than the specified amount for 2024 or if income is earned for services provided while you were an inmate at a penal institution. For 2024 income limits and more information, visit *www.irs.gov/EITC*. See also Pub. 596. **Any EITC that is more than your tax liability is refunded to you, but only if you file a tax return.**

Employee's social security number (SSN). For your protection, this form may show only the last four digits of your SSN. However, your employer has reported your complete SSN to the IRS and the Social Security Administration (SSA).

Clergy and religious workers. If you aren't subject to social security and Medicare taxes, see Pub. 517.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the SSA to correct any name, SSN, or money amount error reported to the SSA on Form W-2. Be sure to get your copies of Form W-2c from your employer for all corrections made so you may file them with your tax return. If your name and SSN are correct but aren't the same as shown on your social security card, you should ask for a new card that displays your correct name at any SSA office or by calling 800-772-1213. You may also visit the SSA website at *www.SSA.gov*.

Cost of employer-sponsored health coverage (if such cost is provided by the employer). The reporting in Box 12, using Code DD, of the cost of employer-sponsored health coverage is for your information only. **The amount reported with Code DD is not taxable.**

Credit for excess taxes. If you had more than one employer in 2024 and more than $10,453.20 in social security and/or Tier 1 railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your federal income tax. See the Form 1040 instructions. If you had more than one railroad employer and more than $6,129.90 in Tier 2 RRTA tax was withheld, you may be able to claim a refund on Form 843. See the instructions for Form 843.

Instructions for Employee (See also *Notice to Employee,* on the back of Copy C.)

Box 1. Enter this amount on the wages line of your tax return.

Box 2. Enter this amount on the federal income tax withheld line of your tax return.

Box 5. You may be required to report this amount on Form 8959. See the Form 1040 instructions to determine if you are required to complete Form 8959.

Box 6. This amount includes the 1.45% Medicare tax withheld on all Medicare wages and tips shown in box 5, as well as the 0.9% Additional Medicare Tax on any of those Medicare wages and tips above $200,000.

Box 8. This amount is **not** included in box 1, 3, 5, or 7. For information on how to report tips on your tax return, see the Form 1040 instructions.

You must file Form 4137 with your income tax return to report at least the allocated tip amount unless you can prove with adequate records that you received a smaller amount. If you have records that show the actual amount of tips you received, report that amount even if it is more or less than the allocated tips. Use Form 4137 to figure the social security and Medicare tax owed on tips you didn't report to your employer. Enter this amount on the **wages** line of your tax return. By filing Form 4137, your social security tips will be credited to your social security record (used to figure your benefits).

Box 10. This amount includes the total dependent care benefits that your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over your employer's plan limit is also included in box 1. See Form 2441.

Box 11. This amount is (a) reported in box 1 if it is a distribution made to you from a nonqualified deferred compensation or nongovernmental section 457(b) plan, or (b) included in box 3 and/or box 5 if it is a prior year deferral under a nonqualified or section 457(b) plan that became taxable for social security and Medicare taxes this year because there is no longer a substantial risk of forfeiture of your right to the deferred amount. This box shouldn't be used if you had a deferral and a distribution in the same calendar year. If you made a deferral and received a distribution in the same calendar year, and you are or will be age 62 by the end of the calendar year, your employer should file Form SSA-131, Employer Report of Special Wage Payments, with the Social Security Administration and give you a copy.

Box 12. The following list explains the codes shown in box 12. You may need this information to complete your tax return. Elective deferrals (codes D, E, F, and S) and designated Roth contributions (codes AA, BB, and EE) under all plans are generally limited to a total of $23,000 ($16,000 if you only have SIMPLE plans; $26,000 for section 403(b) plans if you qualify for the 15-year rule explained in Pub. 571). Deferrals under code G are limited to $23,000. Deferrals under code H are limited to $7,000.

The amount of the credit is based on income and family size. Workers without children could qualify for a smaller credit. You and any qualifying children must have valid social security numbers (SSNs). You can't take the EITC if your investment income is more than the specified amount for 2024 or if income is earned for services provided while you were an inmate at a penal institution. For 2024 income limits and more information, visit *www.irs.gov/EITC*. See also Pub. 596. Any EITC that is more than your tax liability is refunded to you, but only if you file a tax return.

Employee's social security number (SSN). For your protection, this form may show only the last four digits of your SSN. However, your employer has reported your complete SSN to the IRS and the Social Security Administration (SSA).

Clergy and religious workers. If you aren't subject to social security and Medicare taxes, see Pub. 517.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the SSA to correct any name, SSN, or money amount error reported to the SSA on Form W-2. Be sure to get your copies of Form W-2c from your employer for all corrections made so you may file them with your tax return. If your name and SSN are correct but aren't the same as shown on your social security card, you should ask for a new card that displays your correct name at any SSA office or by calling 800-772-1213. You may also visit the SSA website at *www.SSA.gov*.

Cost of employer-sponsored health coverage (if such cost is provided by the employer). The reporting in box 12, using code DD, of the cost of employer-sponsored health coverage is for your information only. The amount reported with code DD is not taxable.

If you had more than one employer in 2024 and more than $10,453.20 in social security and/or Tier 1 railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your federal income tax. See the Form 1040 instructions. If you had more than one railroad employer and more than $6,129.90 in Tier 2 RRTA tax was withheld, you may be able to claim a refund on Form 843. See the Instructions for Form 843.

Box 2. Enter the amount on the federal income tax withheld line of your tax return.

Box 5. You may be required to report this amount on Form 8959. See the Form 1040 instructions to determine if you are required to complete Form 8959.

Box 6. This amount includes the 1.45% Medicare tax withheld on all Medicare wages and tips shown in box 5, as well as the 0.9% Additional Medicare Tax on any of those Medicare wages and tips above $200,000.

Box 8. The amount is not included in box 1, 3, 5, or 7. For information on how to report tips on your tax return, see the Form 1040 instructions.

You must file Form 4137 with your income tax return to report at least the allocated tip amount unless you can prove with adequate records that you received a smaller amount. If you have records that show the actual amount of tips you received, report that amount even if it is more or less than the allocated tips. Use Form 4137 to figure the social security and Medicare tax owed on tips you didn't report to your employer. Enter this amount on the wages line of your tax return. By filing Form 4137, your social security tips will be credited to your social security record (used to figure your benefits).

Box 10. This amount includes the total dependent care benefits that your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over your employer's plan limit is also included in box 1. See Form 2441.

This box shouldn't be used if you had a deferral and a distribution in the same calendar year. If you made a deferral and received a distribution in the same calender year, and you are or will be age 62 by the end of the calendar year, your employer should file Form SSA-131, Employer Report of Special Wage Payments, with the Social Security Administration and give you a copy.
